ANY increase in electric/gas bills should NOT be approved for Docket Number 2011-271-E. South Carolina Private Companies Workers have NOT received pay raises in quite some time. Pay raises where I work..Food Lion IS LIMITED TO 1% Pay Raises for full time workers. Social security recipients have NOT had a raise for a couple of years!! This NOT true of Government Workers who get steady pay raises at tax payers expenses!! Do Power Company Employees receive regular yearly pay raises??? Power company executives...do they get pay raises/bonuses????? EVERY ONE and I mean EVERY ONE should be trying to trim costs and expenses during these difficult and trying times in South Carolina and the United States!! Thank you for your time. Paul
